Petition to
Attorney General Josh Shapiro for violating Securities Exchange
Commission Act.

Josh Shapiro failed to do a due diligence 18 USC code
after the fact and or to consult the financial advisors
which leads to 18 USC code mail fraud and voting rights
Act violation.

Josh Shapiro failed to mitigate the damage after
the fact when created inconsistent pleadings in PA
state and federal court of Kandjabanga. One complaint
was answered another one was not answered which
is an imminent threat to the integrity of our judicial
system and sanctity of oath of our institution which
need to be preserved. Violation of oath is a crime.
